

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
GREAT FALLS DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

WYATT CAMERON MONTCLAIR,

Defendant.

CR 15-21-GF-BMM-JTJ

**FINDINGS AND
RECOMMENDATIONS**

I. Synopsis

Defendant Wyatt Cameron Montclair (Montclair) has been accused of violating the conditions of his supervised release. Montclair admitted all of the alleged violations. Montclair's supervised release should be revoked. Montclair should be placed in custody for 6 months, with 22 months of supervised release to follow. Montclair should serve up to the first 90 days of supervised release at a residential re-entry center. Montclair should serve his term of custody at the Bureau of Prisons' facility in Sandstone, Minnesota. Montclair should not serve his term of custody at the Bureau of Prisons' facility in Florence, Colorado.

II. Status

Montclair pleaded guilty to Involuntary Manslaughter on April 13, 2015. (Doc. 16). The Court sentenced Montclair to 28 months of custody, followed by

3 years of supervised release. (Doc. 23). Montclair's current term of supervised release began on September 16, 2019. (Doc. 53 at 3).

Petition

The United States Probation Office filed a Petition requesting that the Court revoke Montclair's supervised release on January 22, 2020. (Doc. 53). The Petition alleges that Montclair violated the conditions of his supervised release: 1) by failing to report for substance abuse treatment; 2) by failing to report for substance abuse testing; and 3) by failing to report to his probation officer as directed. (Doc. 53 at 1-2).

Initial appearance

Montclair appeared before the undersigned for his initial appearance on June 18, 2020. Montclair was represented by counsel. Montclair stated that he had read the petition and that he understood the allegations. Montclair waived his right to a preliminary hearing. The parties consented to proceed with the revocation hearing before the undersigned.

Revocation hearing

The Court conducted a joint revocation hearing in this case and in Cause CR 14-84-GF-BMM-JTJ on June 18, 2020. Montclair admitted that he had violated the conditions of his supervised release: 1) by failing to report for

substance abuse treatment; 2) by failing to report for substance abuse testing; and 3) by failing to report to his probation officer as directed. The violations are serious and warrant revocation of Montclair's supervised release.

Montclair's violations are Grade C violations. Montclair's criminal history category is I. Montclair's underlying offenses are Class C and Class D felonies. Montclair could be incarcerated for up to 24 months. Montclair could be ordered to remain on supervised release for up to 28 months, less any custody time imposed. The United States Sentencing Guidelines call for a term of custody of 3 to 9 months.

III. Analysis

Montclair's supervised release should be revoked. Montclair should be placed in custody for 6 months, with 22 months of supervised release to follow. This sentence is sufficient but not greater than necessary. Montclair should serve his term of custody at the Bureau of Prisons' facility in Sandstone, Minnesota. Montclair should not serve his term of custody at the Bureau of Prisons' facility in Florence, Colorado. The sentence imposed in this case should run concurrent with the sentence imposed in Cause CR 14-84-GF-BMM.

IV. Conclusion

The Court informed Montclair that the above sentence would be

recommended to United States District Judge Brian Morris. The Court also informed Montclair of his right to object to these Findings and Recommendations within 14 days of their issuance. The Court explained to Montclair that Judge Morris would consider a timely objection before making a final determination on whether to revoke his supervised release and what, if any, sanction to impose. Montclair stated that he wished to waive his right to object to these Findings and Recommendations, and that he wished to waive his right to allocute before Judge Morris.

The Court **FINDS:**

That Wyatt Cameron Montclair violated the conditions of his supervised release: by failing to report for substance abuse treatment; by failing to report for substance abuse testing; and by failing to report to his probation officer as directed.

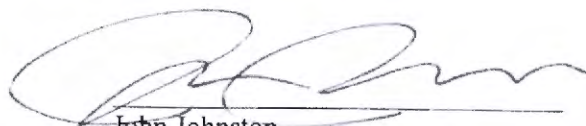

The Court **RECOMMENDS:**

That the District Court should revoke Montclair's supervised release and commit Montclair to the custody of the United States Bureau of Prisons for 6 months, with 22 months of supervised release to follow. Montclair should serve his term of custody at the Bureau of Prisons' facility in Sandstone, Minnesota. Montclair should not serve his term of custody at the Bureau of Prisons' facility in Florence, Colorado. The sentence imposed in this case should run concurrent with the sentence imposed in Cause CR 14-84-GF-BMM.

**NOTICE OF RIGHT TO OBJECT TO FINDINGS AND
RECOMMENDATIONS AND CONSEQUENCES OF FAILURE TO OBJECT**

The parties may serve and file written objections to the Findings and Recommendations within 14 days of their entry, as indicated on the Notice of Electronic Filing. 28 U.S.C. § 636(b)(1). A district court judge will make a de novo determination regarding any portion of the Findings and Recommendations to which objection is made. The district court judge may accept, reject, or modify, in whole or in part, the Findings and Recommendations. Failure to timely file written objections may bar a de novo determination by the district court judge, and may waive the right to appear and allocute before a district court judge.
